

Introducing...

TORCH Leadership Experiences

Ignite your students' leadership potential.

We provide fun and engaging opportunities for young people to explore their own unique leadership skills.

Our programming is based on leading educational research (experiential learning, challenge/support, social-emotional learning) and hands-on experience.

The TORCH staff has worked together for over 25 years, representing a diversity of ages and careers.

We currently offer tailored, virtual programs to engage students on the topics below.

How students benefit

More engaged, active, and productive clubs

Stronger bonds in teams and classes

What is Torch Leadership Academy?

We're a group of volunteers from all walks of life, committed to youth leadership development. We founded TORCH as a 501(c)(3) public charity in early 2020 after working together in this space since 1995.

Our mission is to empower the next generation of leaders through immersive and transformative experiences in order to cultivate personal development and meaningful connections.

We value

Hands-on Learning

Servant Leadership

Empowerment

Diversity

Empathy

Connection

Growth
